**Invitation for Pre-Qualification for the Participation in a Tender for the Light Railway
Project between Haifa and Nazareth**

Clarification Letter No. 3

The following comprises TRI's responses to Candidates' Requests for Clarification ("RFC"). TRI's responses herein are binding as of the date of this Letter.

1. RFC 022

In respect of the composition of the EPC Contractor and in particular Section 2 of Annex 2 (Expected Requirements for the Tender Selection Stage) of the Invitation, the Tender Committee is requested to clarify whether the EPC Contractor may be an unincorporated joint venture of two or more companies.

TRI's response:

The EPC Contractor may not be an unincorporated joint venture. As instructed by the Invitation, the EPC Contractor must be a single "**Entity**", as such term is defined in the Invitation. Please note that the EPC Contractor may be an Entity incorporated specifically for the purpose of the HN LRT Project.

2. RFC 023

In respect of Section 3.3.7 of the Invitation, the Tender Committee is requested to clarify:

- a) whether the term "Project" refers to the HN LRT Project as defined in Section 1.1, "Definitions"; and**
- b) whether the Experience Provider is supposed to be responsible for the "Project function" considering that the function of the project is dependent on many other factors.**

TRI's response:

Please see the amendment to Section 3.3.7 as published in Addendum 2, Item 6.
